OUR HISTORY

Rebuilding Together El Paso, Inc., as its known today, was started in 1991 as “Christmas in April” by the Junior League of El Paso. In 2006, the organization joined forces with and became an affiliate of the national organization, Rebuilding Together, in order to focus their efforts around the core goal of rehabilitation and revitalization.

OUR MISSION

This 501c (3) organization aims to preserve and revitalize houses and communities, assuring that low-income homeowners, particularly those who are elderly and disabled, live in warmth, safety, and independence.

HOMEOWNER FAQS

WHAT ARE HOMEOWNER REQUIREMENTS?
To be eligible, homeowners should be low-income, elderly, disabled, and/or military veterans.

OUR ACTION

With support from our volunteers, sponsors and generous donors, RTEP provides local homeowners with the help they need and deserve. Along with the other national affiliates, we spend our year planning and preparing for National Rebuilding Day, typically held on the last Saturday in April. Teams are assembled to work on numerous homes throughout El Paso and implement crucial repairs.

We organize our other annual activities around the events of major corporations and institutions, like Fort Bliss’ Make a Difference Day, UTEP’s Project Move and Sears’ Heroes at Home.

“When I look at all these people painting my home, I feel like I’m in heaven.”

“Without your support and the volunteer effort of Rebuilding Together El Paso, my parents’ life would not be the same.”
